

COMMENT SHEET

US 93 – WICKENBURG TO SANTA MARIA RIVER
LOCATION/DESIGN CONCEPT STUDY
PUBLIC INFORMATION MEETING – DECEMBER 5, 2001

(Please use the reverse side of this sheet for comments on the Interim Improvement Project)

Please answer the following questions regarding the WICKENBURG BYPASS:

1. Do you support a continued investigation of a bypass corridor through the Raptor Protection Area to determine if the Far West Route is feasible? _____ Even if it adds several years to the study? _____

2. Would you be willing to support the Southwest bypass route and eliminate the Far West bypass route so that the study could be completed earlier? _____

3. Please note any additional comments, issues, and/or concerns about the Wickenburg bypass.

If you wish to be included in the study's mailing list, please provide your name and mailing address below:

Upon completing this form, please hand it to a Study Team representative or send it by December 19, 2001, to Bert Bertleson, Sverdrup Civil, 875 W. Elliot Rd., Suite 201, Tempe, Arizona 85284 or fax it to (480) 763-8601.
